How about meeting at 6th/Mesa at 2:45 pm? Adding Sue in case she can join.

Joe was fine with the original site in front of the Topaz building, but he wanted to push further into downtown if possible. So 6th and Mesa works very well on that front.

We're definitely open to working with Lorena and the local businesses to find the best fit. We also don't want us to take the idea of removing parking spaces off the table entirely. It could be that we find a better option on the sidewalk, but let's look at all of the possibilities.

Lorena/Augie- I'm around this afternoon to go take a look at the site- let me know. I'll be in San Pedro on Thursday afternoon as well.

Hi Nathan -

We did do some outreach with the BID and Lorena Parker when looking at the new site on 6th and Mesa. That corner gets used by the BID as a stop for the red rubber trolley and also as a band location during events such as 1st and 3rd Thursdays. There were a lot of options presented at 6th and Mesa and I think it would be best to discuss them in further detail with Lorena (it's a critical corner for downtown SP). Lorena knows all of the property owners and she has the best "feel" for that corner. Feel free to assist with the outreach and I could help you in whatever manner you'd like, please let me know. Lorena's contact information is: Lorena Parker (Executive Director of the San Pedro Historic Waterfront BID) - lparker@sanpedroBID.com - [310-832-2183](tel:310-832-2183).

Pushing further into downtown San Pedro is the councilman's preference. Let me know if you would like our office to assist with outreach.

Hi All,

Our next choice was Mesa Street just north of 6th street in place of on street parking. Augie, please let us know what outreach was involved in discussions of that site.

Thanks,

Hi Jason & Sue

After discussing all of the Pros and Cons with the Topaz ownership concerning the location of the bike station in front of Topaz they are not in favor of either location and believe it would be better positioned on the Centre Street side of the building or across the street in front of the Crown Plaza

where it would probably serve plenty of hotel guest.

If anyone would like to discuss the matter further, please contact me at your earliest convenience.
